# NEW STUDENT FACES AT THE CENTER

# A POSTHARVEST WORKSHOP HELD

The Center welcomed some new students recently.

A postharvest workshop was held on September 11, 2002 at the Citrus Center. Attendees included commercial growers and researchers.

**Kranthi** is a graduate of the University of Texas at Austin. He is currently working on his master's thesis on citrus fruit quality.

He is currently working on his master's thesis on citrus fruit quality.

**Racine** has begun her master's in Dr Louzada's lab -

st problems of citrus fruit, especially that
