

Dr. Jeffery Chernosky

Assistant Professor, Assistant Professor;
Principal, Superintendent, Educational Administration Co-Coordinator
361-593-2440
Rhode Hall # 130
jeffery.chernosky@tamuk.edu

A native Texan, Dr. Jeffery Chernosky, is a first-generation college graduate. He received degrees in Business Administration, Elementary Education, Learning, Technology, and Educational Leadership. He has over 30 years of experience in education serving in dynamic adult educational settings encompassing higher education, the Federal Government, non-profits, K12, and Fortune 200 companies. He is an active researcher and international presenter of leadership, culture, online learning, academic technologies, the Community of Inquiry, and student satisfaction topic areas. He is particularly interested in the nexus between culture, leadership, and problems of practice in the South Texas region.

As a faculty member at TAMUK, he serves as the Co-Coordinator of two graduate programs: Educational Administration and Instructional Technology. One of his favorite responsibilities is mentoring students. He serves on the McNair Scholars Admission Advisory Committee, as well as, a faculty mentor. Courses include doctoral courses such as Philosophy of Education, Proposal & Dissertation Research, Multicultural Analysis, Qualitative Research, Research in Educational Leadership, and Advanced Qualitative Research. Also, graduate courses include Multicultural Education for Educators, Principles of Instructional Design & Technology, Instructional Design, and Emerging Trends & Issues.

His work and the work of the students can be followed at:
