

## **ITS.SC.510 Fire Protection**

Approved Sept. 10th, 2020  
Next Scheduled Review: Sept. 10th, 2025

---

### **Procedure Statement**

---

Texas A&M University-Kingsville (TAMUK) employs and maintains fire suppression and detection devices/systems for the information systems that are supported by an independent energy source

---

### **Reason for Procedure**

---

This Control applies to all TAMUK network information resources. The intended audience for this Control includes all information resource owners, custodians, and users of information resources.

External and/or environmental threats (e.g., fire, flood, earthquake, civil unrest) disrupt operations due to inadequate physical security controls.

---

### **Procedures and Responsibilities**

---

Information resource owners with responsibility over infrastructure equipment shall employ and maintain fire suppression and detection devices/systems for the information resource that are supported by an independent energy source.

---

### **Related Statutes, Policies, Rules or Requirements**
